

Akhtar Mohammad Naji

Web developer

ABOUT ME

As a Front-End Developer, I come with over 1.6 years of experience in crafting and managing responsive websites. I'm well-versed in HTML, CSS, JavaScript, React, Bootstrap, Material UI, Ant Design, and Next.js, along with a suite of contemporary libraries and frameworks. My passion for Node.js and my strong grasp of the MERN stack position me as a valuable asset for web development opportunities.
